1. Review minutes from previous meeting
   - Minutes from previous meeting were approved

2. Kari – Equipment manager
   - Kari proposed using a new supplier for the jerseys. The new jersey is $ 10.00 and the old jersey was $ 9.00 and $ 9.44 depending on size. Kari thinks the new jersey is of higher quality and the supplier is located in Auburn which will give Kari the opportunity to follow up in person when necessary. Concern was voiced over the quality of the number attached to the back of the shirt and Kari is to look into this. Board members voted and agreed to proceed with purchasing the proposed jersey. The quantity ordered will be based on maximum roster size for younger kids and registration quantity for older kids.
