

Divine Mother Newsletter July 28, 2008

Hello, the July Newsletter has finally manifested... and I think you will agree that this new Channeling was well worth the wait! I am so grateful to be able to present to you today this most wonderful channeling message from Divine Mother. (see below) This is the first time she has actually spoken directly to each reader personally. I was overwhelmed with tears as to how much love is in this message. I hope that you will open your heart and receive the love Divine Mother is offering, it is a gift beyond all gifts! I am grateful to have been given the opportunity to serve in this way. I know that all of you will find a "diamond" in this message just for you!

My gratefulness to all of you for allowing me to share Divine Mothers messages with you! I feel compelled to ask that any of you that find this message as fulfilling as I do, please do share it with all that you can. I truly feel this is a message for all of Humanity!

If you find the messages to Divine Mother helpful, and you know others who see them, but are not signed up for my monthly Newsletter - please let them know they can sign up on my [Contact](#) page.

SPIRITUAL SERVICES OFFERINGS:

I am still offering Prayers for individuals who would like me to pray for them. I believe in praying for "the highest good of all concerned" and that Divine Mother, Holy Father - Creator knows what we each need. Please email me with your prayer request at: info@solara-an.com

I had the great pleasure of offering Divine Mother messages for free this past month and I received many requests, which will take a few more weeks to fulfill. I know how important these messages are to some of you, and so if you would still like a personal message I am offering them now at \$10.00 each. If you have received a free personal message, and found it to help you, I would love a testimonial.

NEW ON DIVINE MOTHERS WEBSITE:

As I am growing and learning and opening to all that I am, I am expanding my services. I have added a audio of my toning for the 8.8.08 Global Meditation - It is not a professional recording, but I think you will find the energy is indeed intact!

I will be doing a Free Teleconference Class with Cyndi Silva, founder of the Metaphysical Websites - www.metaphysicalwebsites.com on August 13th... please stay tuned to her website for more information, or my Calendar page. I will be Toning and possibly giving Divine Mother messages.

MY SUPPORT FOR SPIRITUAL TEACHERS AND WEBSITES:

As many of you know, on 8.8.08 there will be a great energy influx being beamed to Earth, some believing this to be the second phase of the Harmonic Convergence, and many different groups will be doing prayers, meditations, and ceremonies all over the globe. I would like to present the following Meditation as provided by Rev. Karen Holbrook for that day, as I will be joining in on this meditation. I have also placed my Toning for 8.8.08 on my website.

8.8.08 Global Meditation - AWAKENING THE COSMIC PUSLE WITHIN

as presented by Rev. Karen Holbrook. Her website address is: www.thecosmicpulse.com All you need to is go to her website - go to Courses online - and register for free. This will provide you with the meditation information.
