MY SUPPORT FOR SPIRITUAL TEACHERS AND WEBSITES:

Rev. Karen Holbrook, Spiritual Teacher - www.thecosmicpulse.com If you want to finally know the power of your Soul and the road to Oneness with the Absolute, as is happening now on the planet, this is the place to find your truth. She will soon have teleclasses on her teachings of "The Cosmic Pulse" coming soon.

I recommend Rev. Karen Holbrook highly! Her own life path has opened the door so that others too can embody their higher selves. She is a gift of pure Love from our Creator, and holds the energy for all to awaken to true Love in this new paradigm!

Cyndi Silva, Founder for Metaphysical Websites - www.metaphysicalwebsites

Cyndi provides opportunity for Spiritual Teachers, Channels, and all Spiritual Services to be presented to as many people as possible by offering website creations, and also providing a place for students of spiritual growth to find their teachers and services.

Kelli Spencer, Channel for Goddess Kuan Yin/Medium/Reiki Master and more - www.kellispencer.com

This is a lovely website and Kelli offers loving channelings from Goddess Kuan Yin. She has many services that truly serve the Mind, Body, and Spirit of all who choose to work with her. I know you will find her services of great assistance for your Soul growth!
