

NEWSLETTER FOR DIVINE MOTHER

February 2008 Newsletter

Hello dear fellow lightworkers and awakening ones!

Another new month continues the momentum into the new energy. This move into a more peaceful and unified consciousness may be taking a little longer for some to experience.

Many people in my life have been clearing on very deep levels including past lifetime issues, as this "clearing" is one that cannot be ignored. Whatever the "issue" is that resides in your cell's will come up to be worked with. The light allows no darkness to fester within. This is the energy of the balance within duality, and the darkness has transmuted into the Light.

As I look at this, the best way to live within this new energy is to surrender to it and allow Divine Love and the Will of Creator to move you forward, as you surrender...you then flow with the river of change. And as I was contemplating this week what I might offer in this new newsletter, along with the new channeling received from Divine Mother, I wanted also to offer the new prayer that Divine Mother channeled through me for my "Activating your Channel" class that I taught this past Saturday.

The energy of today is about Forgiveness of all. And I think that many will agree that we were taught from an early age many of our spiritual concepts that stay with us today. One that I was certainly taught was that you had to "work hard" to clear karma and to be forgiven you had to go through the experience again, in your mind, and understand what happened and then forgive your mistakes. And so, knowing that everything that Divine Mother brings through me has been very simple, very easy concepts of her spiritual laws, she simply said that if we chose to allow her to help us forgive ourselves, in that moment of choice we would be released from the pain and clear the way for a new life. So then in my own need of assistance, I prayed...and the new "The Prayer to Forgive All That You Cannot Forgive" was channeled through me.

Today I wish to share the Prayer and the new channeled message "The Closing of One Circle...Within Many" that was channeled through me on January 25th.

What I have to offer may seem simple, and many have said it's not that they don't know these things...but what really made me feel that all of this sharing was worth it was when people tell me that the way they feel after reading Divine Mother's messages opens their hearts in a way they hadn't felt in a long while. And so if even one person feels this way...I am grateful for the opportunity to share Divine Mother's love!

The following are the Links to the Prayer and the new Channeling:

I send you all blessings of the highest, that you may come to surrender to the energy of the new paradigm with ease and effortless surrender...allowing your divine self to guide you ever so gently down this new river of life.

I am grateful to be of service for Divine Mother.

Many Blessings to all!
