

## Sol'Ara An Newsletter December 2008

### Happy Holiday's to everyone!

I send this newsletter with joyous wishes for your Holidays!

As there have been so many changes in the last few months, I have experienced a true change in direction in the work that I do. I hope that the articles I am offering will explain some of this.

Please accept this article as part of the explanation of some of the changes I am experiencing and choosing to honor for my website direction.

I understand that some may only want the Divine Mother channelings, and those will also continue, but now I want to offer more of my self as I believe we all have a responsibility to honor our own experiences and share those for the benefit of all that we come in contact with. I am in all of my being the Divine Feminine energy as I have been, but now I want to offer more of that aspect in her varied ways of being. I know that many of you are looking at the changes within and wondering what direction to take them. I have been holding for quite sometime now my own energies... my compression days are over! My love for all of us has brought me to the belief that it's important that we each step forward... unbridled by old limitations.

I am honored to share a personal telepathic transmission I received in June 2008, this is where the true changes within began... and perhaps will explain more about my process of change now.

### MY BLOG:

I have placed a new blog entry on my website, this one is about my comments regarding the new movie "Twilight", which is also from the Twilight Saga books. It is a new experience for me to write about my own feelings and experiences in this human life, but I think in my journey to wholeness... it is important to start sharing.

## **SPIRITUAL SERVICES OFFER:**

If you are finding life difficult or just feel alone in your journey, I do offer daily prayers, and place you on my personal prayer list. I believe in praying for "the highest good of all concerned" and that Divine Mother, Holy Father Creator knows what we each need. Please email me with your prayer request at: [info@solara-an.com](mailto:info@solara-an.com)

Every Sunday morning at 7:00am central time I sit in my home and do a "World Peace and Oneness" Meditation. I have placed the prayer that I do on the menu on my front page. Perhaps you will join me sometime in this meditation in the higher realms.

Please call 320-828-0970 for consultations or service appointments. If you don't know what you need, but feel guided to ask for my assistance, please call or email and we can discuss the opportunities available to you! I am grateful to be of service!
