

Diabetes Wellness Day

Manchester - June 2009

Venue and date TBC

Join DRWF and the Diabetes Healthcare Team from NHS Manchester for our Manchester Diabetes Wellness Day

The day will include talks on various aspects of diabetes management and the other conditions associated with it. There will be an exhibitor's room, where you can find out about the latest blood-glucose meters and diabetes related products and refreshments and lunch will be provided by DRWF. A registration fee of £3 is asked for to help us cover the costs of running the day.

With ideal transport links and situated within the city centre, we hope to attract people with diabetes or an interest in diabetes from the southern region to what will be an informative and educational day.

Whether you have Type 1 or Type 2 diabetes, the Diabetes Wellness Day will provide you with the opportunity to discuss your diabetes related concerns with the speakers in an informal environment and have all your questions answered in one go. The day will also provide a wonderful platform for mixing with other people with diabetes and making new friends.

To find out more or for a full information pack, please contact Lee Calladine on 023 92 636133 or by e-mail at events@drwf.org.uk
