2009 SUMMER IN INDIA

Still, we find the Lord working His wonders in India. Pastor Elisha continually reports the “Good News” as being given and received by many remote villages. Some of the pictures and their captions here will only show a sampling of what the Lord is doing.

The deaf hear, the blind see and the mute talk again.

Numerous couples have asked for prayer that the Lord would grant them children after many years of marriage. Jesus is faithful to His promises.

Reports of the numbers coming to believe in the Lord Jesus Christ are increasing with each week, almost daily. Those who have never heard the name of Jesus are hearing for the very first time. Mission teams share the wonderful story and continue to “Do What Jesus Did” every day of the week. Entire villages commit to the Lord Jesus and forsake old ways because of Him.

“Where is the God of Elijah?” “Where is the Jesus of the Gospels and Acts?”

Yes, we all know. He is with us as He continues to demonstrate His love for mankind.
Bicycles: Important Tools For Ministry

Here are just 2 of 21 bicycles that have been donated for the ministry in India since 2006. Each bicycle gives the pastor an average of 5 more villages he can visit each week. That means there are at least 5 more villages that hear the Gospel for every bicycle given. When they have no transportation, as most do not, they walk to share the “Good News.”

These men and women are dedicated to the Lord beyond what most westerners realize. Bicycles now run about $64.00 each. What a terrific investment for eternity. Bibles are in very short supply and so an effort is made to have at least one Bible given to each village and where possible one is given to each family. The cost for each is about $4.00.

“A lady called ---------was in a 'Doing What Jesus Did' class in a recent district school. She is continually reading and meditating on the principles of doing what Jesus did teachings. She was a staunch women of another faith but she accepted Jesus in the past year through our evangelical team.

*** Since Saturday night until now, she is having a the vision of the Savior. She is seeing Jesus and telling people that Christ is within me. Wherever she is looking, Jesus is appearing to her. Now she is going to the sick people and healing them in the name of Jesus. She is telling them that I am doing what Jesus did. She is telling the people please don’t try to stop me.

It is an great miracle that today a new worship center has started in this village and the whole village is coming to Christ. The people are thinking 'she is a god' but she is telling them that Jesus is among you to save your souls. There is great revival in this
Another baptismal service among many. Village and surrounding villages are coming to see the miracles. God is just moving powerfully among the tribals to prove and reveal Himself to the unreached people groups. Glory to the Almighty!

Thank you readers and supporters, for all you have done. As the Apostle Paul wrote in Hebrews 6:10 "God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them." (NIV)
