

## **Chamber of Commerce and Economic Development News**

On behalf of the Chamber of Commerce Board of Directors and Tonkawa Development Authority Board of Trustees, we wish you a Merry Christmas and Blessed New Year! We would also like to say thank you to our friends who support the economic development efforts for our businesses and community.

For the holidays, the Chamber/TDA office will be closed December 23-26 and will be open 11 a.m. to 3 p.m. December 27-30.

We express our thanks to all who have contributed to our beautiful downtown decorations - the City of Tonkawa, the businesses and Tonkawa Art students for decorating the windows, the Humanitarian Club for their Centennial Park decorations and the Santa Fe Depot. We appreciate you showing your pride in Tonkawa.

Business owners and executives, if you have not yet taken Governor Fallin's survey, please go to [www.FallinforBusiness.com](http://www.FallinforBusiness.com). She is asking for your input as she prepares to work with our legislators to make Oklahoma a more "business-friendly" state. Let her know what you need by taking this survey.

Chamber banquet tickets are available at the office or from any board member. We hope you'll join us for this event recognizing the accomplishments of the year and our award winners. Tickets are \$25 each.
