

Chamber of Commerce and Economic Development News

A “Lunch and Learn” program has been scheduled for Tuesday, September 20th from 11:30-1:00 to share information about the new SCORE program. The SCORE mentorship program gives small business owners the opportunity to seek answers from “seasoned” professionals and allows the retired professional to share experiences with the next generation. Please join us in the Pioneer Technology Center Seminar Room. The fee is \$10 and a box lunch is provided. Call 580-765-4400 to register or for additional information.

Chamber Business after Hours will be hosted by First National Bank of Oklahoma at the home of Brad Purdy on Thursday, September 22nd, from 5:30-7 p.m. All members of the Chamber of Commerce are invited to wear your favorite team “gear” and join us for a “tailgate-style” party at 100 S. Barrickway.

The Chamber of Commerce will host a pre-game dinner before the Bucs football game vs. Watonga on Friday, September 23rd. We will serve “loaded” baked potatoes, drinks and dessert from 5-7 p.m. for \$5. Come out and tailgate with us! Tickets may be purchased in advance at the Chamber office.
