The Tonkawa Tomorrow housing committee continues to research housing needs in our community. If you are interested in purchasing or renting a home, have vacant lots or would like to be involved in the development of property, please contact Janet White, 628-2220 or Jared Grell, 628-2265. We need to know what the current needs are as we are planning an informational “housing fair” for the end of the month to offer assistance.
