Tonkawa welcomes a new Oklahoma Small Business Development Center. The OSBDC, in partnership with the Small Business Administration, offers small business owners and entrepreneurs the assistance they need to transform an idea into a business or help an existing business reach its potential. Becky Smith is the Business Development Specialist in Tonkawa and the office is located at Farmer's Exchange Bank between the bank and annex. For OSBDC assistance, call 580- 628-2440 or visit [www.osbdc.org](http://www.osbdc.org) for additional information.

We also welcome a new business to the Tonkawa Business Incubator. Cheyenne Technical Services, owned by David and Joan Rector, recently began operations at the Incubator. The company specializes in vessel, piping and tank inspection services. They currently have 7 employees.
