

Chamber of Commerce and Economic Development News

The Chamber of Commerce would like to thank all of the volunteers and donors who contributed to the 4th of July celebration. The event would not be possible without the generosity of our community.

Chamber Business after Hours will be hosted by Sunshine Floral on Thursday, July 22nd from 5:30-7 p.m. All Chamber members are invited and encouraged to attend these fun events held each month at various locations.

City-wide garage sales will be August 7th. You may register at the Chamber of Commerce to be included on the map and advertising.

Applications are still being accepted for start-up businesses in Kay County to receive grant funding (up to \$5000). This funding is provided as bridge capital with the incentive tied exclusively to job creation. The program is funded by the American Recovery and Reinvestment Act (stimulus funding) through the Ponca City Development Authority in collaboration with United Community Action Program. Contact the Tonkawa Development Authority for additional information at 628-2220.
