Let me start by saying, "Thank you for the opportunity to serve the SoCal District in Sunday School and Discipleship Ministries." I'm looking forward to a great time as we develop "Christ-like disciples in the nations" together.

Our 2011 District Assembly has passed, but I hope you are still reflecting on highlights from that event. I certainly am. One of my "take-away" came from Dr. J.K. Warrick when he said, "Let's not just have another good year. Let's have a break out year!" I can't seem to get that idea out of my head. In fact, it gets me to asking more questions.

- What would a break-out year look like in my ministry area or church/?
- What would it take to see a break-out year happen?
- What would I be willing to do personally to see a break-out year happen?

I'm still working on the answers to those questions, but I know it has something to do with prayer, a willingness to be interrupted from my routine, and an investment of my time and efforts into other people.

As I begin my service as the District Director of Sunday School and Discipleship Ministries, it is my desire to reflect with you about questions like these and to help resource the development of your ministry. I really do believe that having a "break-out" year is not just preacher talk. It is a nudge from the Holy Spirit. I'm excited about the adventure with God. Let's go there together.

David
