

Gold Coast Hockey
Association Inc.

Gold Coast Hockey Association Player Pool

A player cannot be registered in any competition with more than one Club. Relaxation of this rule maybe considered under exceptional circumstances, whereby a player's Club does not have Senior team or Junior team.

Player pool allows a junior player who is registered with a Senior Club to play with another junior club if they have no junior team or a junior player who is registered with a Junior Club to play with another senior club if they have no senior team.

Please fill in the form and return to office for consideration by GCHA Board.
