◆ Family Life Skills ◆

For Parents & Grandparents with kids

This group will meet on WEDNESDAY nights.

Objective: To support each other in raising a family and having a positive home environment!

BEGINS
January 11, 2012

Wednesdays

Family Meal
at 6 p.m.

Group meeting
at 7:00 p.m.

The stress of raising a family today can be overwhelming. Everything from finances to school requirements, meeting schedules, and the social hub of this culture puts pressure squarely on the shoulders of parents. This group is designed to support the issues facing families today. We invite you to come be a part of this group.
