

CROZET ARTS & CRAFTS

*Festival Sponsorship*

  
CROZET  
ARTS & CRAFTS  
FESTIVAL

As a resident, business owner and/or employee in Albemarle County and beyond you are aware of the development boom that has affected our community, Crozet, Virginia.

Since 1958, the twenty-two acre Claudius Crozet Park (“Crozet Park”) has been a center piece of the community. Crozet Park is a nonprofit recreational facility open to all. We pride ourselves in providing a safe, clean place for families and children to gather for various activities and sporting events. Some of those activities include the largest outdoor community pool in the area, soccer and baseball fields, picnic pavilions, playgrounds, and community building. The various annual events include the Crozet Volunteer Fireman’s annual fund-raiser and fireworks around the fourth of July and the Crozet Arts and Crafts Festivals.

The development boom, while positive in many ways, has put and will continue to apply pressure on Crozet Park and its ability to meet the growing demands for increased and diverse activities. The Crozet Park’s Long-range Planning Committee is actively working to determine current and future needs of our rapidly growing park community. As demands are identified, the Park Board of Directors will work to implement recommended changes, based on available funding

The Crozet Arts and Crafts Festivals serve as the primary funding source for the year round operations and maintenance of Crozet Park. Based on the vast growth, the Crozet Arts and Crafts Festivals can no longer do it alone. As we enter our twenty-eighth year, the Park Board of directors invites you to consider partnering with a local tradition. There are two annual weekend festivals, Mother’s Day weekend and the second weekend in October.

Thousands of festival attendees travel from all over Virginia and our contiguous states to meet and purchase goods from some of the best artists the state and country have to offer. We are the premiere juried arts and crafts festival of central Virginia.

Community sponsorship is vital to the success of the festivals and the growth and maintenance of Crozet Park. The success of these two annual events brings continued enthusiasm to Crozet Park, supports the parks center piece of our community and puts your company and its sponsorship on display. Partnering with Crozet Arts and Crafts Festivals is a good decision, for your business, your community and your family.

For more information or questions, please contact the festival office. We are prepared to design a mutually beneficial sponsorship.

*A good decision for your business, your community  
and your family.*
