

Microdermabrasion Training

Next Course Date: Monday 4th June 10am-4pm

Microdermabrasion Application

We have all heard of Microdermabrasion in the Beauty Industry. It is a popular modality for non-invasive skin resurfacing that many salons & spas across Australia & worldwide use daily. As to date aspiring Beauty Therapists & Salon owners know too well that training on Microdermabrasion alone can be hard to come by! We are happy to say not any more. Now you can be introduced to Microdermabrasion application without the purchase of a machine.

Attendies

We welcome all Qualified Beauty Therapists & Beauty therapy students to attend this course. Note Beauty Therapy students are required to have successfully completed their advanced facials module.

Benefits for Salons

"Staff training staff" can tie two of your employees up at once. "Staff training staff" can also have a Chinese whispers effect, as the technique gets passed down each time it can get distorted. By sending your staff members to us you will eliminate any possible staff training staff scenarios. Our training stays constant, thorough & fundamental.

Benefits for Aspiring Beauty Therapists

Microdermabrasion training will give you an additional edge in the industry with a sought after skill that is not widely taught in Diploma. Salons & Spas that offer Microdermabrasion services will find such a skill attractive when wanting new therapists on their team. This could make you stand out from the crowd.

What you will receive:

- Introductory to Microdermabrasion
- Machine identification (Crystal & Diamond Modalities)
- Client Indications & Contra Indications
- Pre & Aftercare knowledge
- Knowledge of treatment regimens & outcomes
- Microdermabrasion Manual
- Certificate of attendance

Microdermabrasion Application taught:
