About Spring Lake, NJ.

The picturesque seaside town of Spring Lake offers its residents and vacationers an unhurried atmosphere of gracious living which has made it a unique resort at the Jersey Shore for more than 100 years. Two miles of uncluttered beach and the longest non-commercial boardwalk in New Jersey add to the one-of-a-kind atmosphere of Spring Lake.

Turn-of-the-century architecture borders the wide tree-lined streets which surround a large lake. "Spring Lake" is named for the fountains of crystal clear water which emanates from a multitude of underground springs. Paths, shady nooks and rock gardens extend through the weeping willow lined shores of the lake and provide a peaceful spot for a quiet evening walk.

Shoppers also have a reason to enjoy Spring Lake. The town is noted for more than 60 [fine shops and boutiques](#). A variety of gourmet [restaurants](#) are here to tempt your appetite. Everything from home-cooked meal in a quiet atmosphere to continental cuisine in elegant surroundings is available.

Entertainment may include a band concert at the Gazebo, or an evening of theatre at the [Community House](#). Of course, golf, tennis, fishing, bicycling, water skiing, boating, horseback riding, and even thoroughbred racing and trotters are available nearby.
