

# Coast Guard Tillamook Bay Open House Sunday, October 2, 2011 12 to 4 pm Hosted by the Coast Guard Auxiliary

A rare opportunity for the public to explore all three of Tillamook Bay's Coast Guard stations, past and present. The current Coast Guard station (1), the 1943 station (2), the 1935 boathouse (3), and the 1908 Life-Saving Station (4) will all be open. Knowledgeable people will be on hand to explain the history of these unique Coast Guard buildings and to answer your questions.
