Adopt A Library Form

Make all checks payable to "USLSSHA"

Adopt A Library (please print & mail to address above)

By adopting a library, you are supporting the educational goals of the USLSSHA and giving a gift that will encourage others to learn about the Life-Saving Service's maritime history. By supporting a library with this educational initiative, it will help improve programs and the limited funding sources that libraries have and you will indirectly be strengthening their service to their local communities. You would be surprised how many libraries and local citizens, even near the sea coasts and Great Lakes are not aware of the Life Savers long standing history and traditions of saving those at peril on the water.

This is a great way to show you support the mission of USLSSHA! We will send a special notification to each library to let them know of your generosity. Throughout the year they will enjoy all the publications available to members. If you want your gift to remain anonymous, you can do that to! All we need is the name and address of the library and we will do the rest.

Library Name: _____

Address: _____

City: _____ State: _____

Zip: _____

Library Adopted * \$30

Total Amount: _____

Your Information

Name: _____
