

Quarryville Baptist Church

"A Gospel Lighthouse at the Heart of the Southern End"

Community Appreciation Day

Sunday August 15, 2010 - 11:00 AM

In March of this year we celebrated two years as an organized church here in Quarryville, PA.

Many in our **COMMUNITY** have made it a **joyous journey of FAITH** though filled with challenges.

Public Servants (i.e. Law Enforcement, Volunteer Fireman, EMT Personnel & Government Officials) have given of themselves **for the safety and well being of all citizens**. Many local **Businesses** have donated to make our social events great successes as well as **providing friendly places to shop and/or eat at**. *Others have just given words of encouragement along the way!*

Will you come be our guest on Sunday, August 15, 2010 at 11:00 AM

All visitors will receive a Special Gift and Recognition!
