ARTISAN SERIES

The soaring, sun-filled spaces of the two-story foyer and living room welcome you. Step up through the formal dining room to the family room and adjacent kitchen, with its breakfast area, center island and sliding glass doors. The private den can also be finished as a sun room, or left open for a unique hearth room. A pantry, convenient laundry room, and powder room complete the first floor.

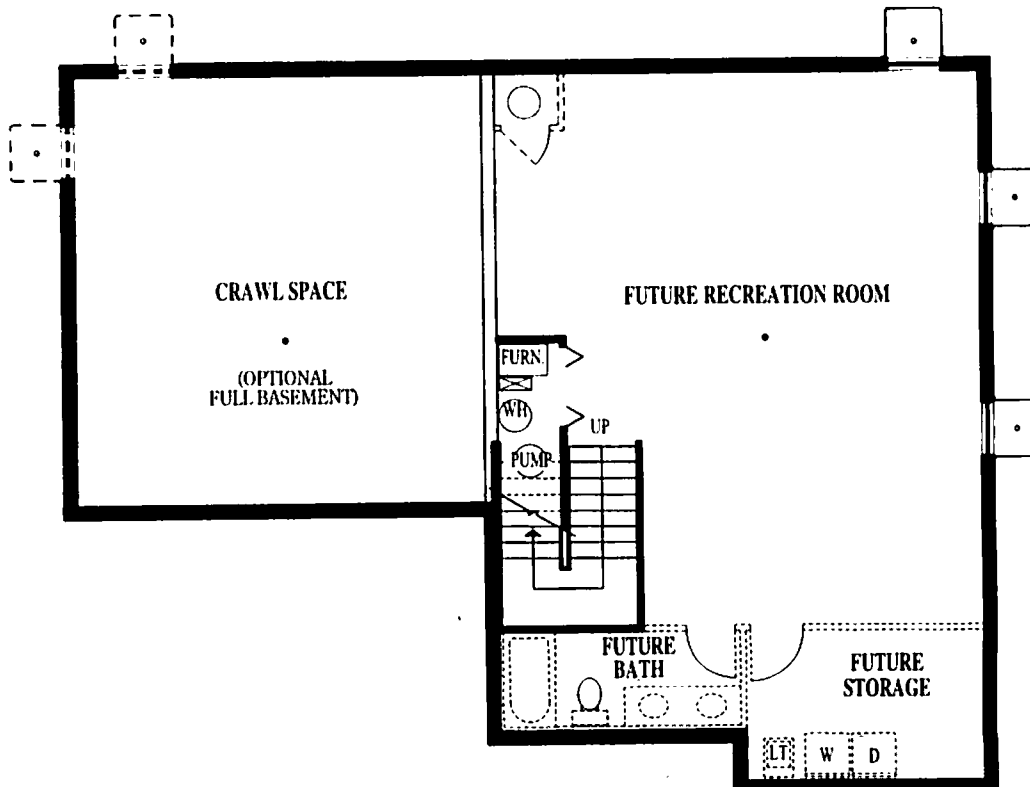

Upstairs, a master bath with a huge corner tub highlights the luxurious master bedroom suite. Two additional bedrooms, a full bath, and loft are standard, but a fourth bedroom and sitting room are available.

Fireplaces and vaulted ceilings can be added. A two-car garage is standard, and the full basement can be finished with a recreation room and bath.
