Hello! Thank you for your interest in the Healer's Circle. This training has been very special for those who have wanted to expand their own Reiki and hands on healing skills as well as their own personal evolution. Because we strive to create a safe and nurturing environment, we screen applications for participants who seem most compatible and ready to work and grow together in this intimate setting. Please fill out this application and return it to us. We will contact you within two weeks of receiving your application. We will then set up a time for an interview.

Please use extra paper if need be.

1) What draws you to take this course? What do you hope to gain from this course?

2) What training and experience do have already in this area of healing?

3) Where do you see yourself now in terms of your own personal/spiritual growth?

4) Occasionally, people experience powerful emotions in this process. How do you feel about sharing or being around people having strong emotional releases?
