

Why Choose XpresSmile Sun Tan Teeth Whitening?

There are many products to choose from for sun tan teeth whitening, but not all products are equal. For the finest in US-made, dental-grade teeth whitening kits, choose XpresSmile Premium Teeth Whitening! You can ensure your customers of purity, quality and amazing results. Here's why XpresSmile offers the best products at the best price:

- XpresSmile is over 70% stronger than the competition. XpresSmile gels are 36% carbamide vs. 21% from the competition. *¹
- All gels made in the USA, fresh monthly in FDA registered and inspected lab. No impurities or inferior ingredients. Very stable gels.
- XpresSmile's whitening pen allows convenient and more accurate application of gel to teeth
- No mouth piece to block the light
- Thicker gel stays on teeth longer for better whitening results
- Self-contained whitening kit Includes teeth wipe and vitamin E swab for more customer comfort
- Additional retail products like Enamel Boosters, Take Home Kits deliver happier customers and more profits
- Extensive, spa-quality marketing materials and sales tools

XpresSmile is a great partner for you and your business offering unparalleled products and support.

¹ Hydrogen peroxide also available
