SPLIT uses every available measure to ensure all personal information provided by our users and supporters remains secure and confidential. A strict security procedure is in place under the Data Protection Act.

You may contact SPLIT at any time if you would like to stop hearing from us SPLIT recognises and respects your right to do so.

THIS IS HARRIET'S STORY

Harriet was born with a rare liver disease, biliary atresia, which causes the bile to be trapped into the liver poisoning the whole body. She nearly died but now after successful transplantation, Harriet is enjoying life like other healthy children of her age.

Harriet has taken part in the British Transplant Games. Two years in a row Harriet won a gold medal.

CHILDREN GET LIVER DISEASE TOO!

- ◆ 1 in 1000 children born in the UK develop liver disease
- ◆ Twenty years ago most children died, usually before their first birthday
- ◆ Today, advances in:
 - ↳ Diagnosis
 - ↳ Molecular genetics
 - ↳ New drug therapy
 - ↳ Liver transplantation

Means that we can **save** children with liver disease, liver and intestinal transplantation.

SPLIT:

Supports children and young people with liver disease, liver and/or intestinal transplantation and their families through:

◆ Financial support for needy families in crisis

◆ Information and education for families, professionals and the public

◆ Research into the causes of liver disease and into intestinal transplantation and how best to treat it

HELP US TO HELP THEM!

ALL MONIES DONATED GO DIRECTLY TO

Family Support

Many families have benefited from the support provided through the Family Fund from SPLIT for travel, equipment and essential expenses while in hospital with their sick children.

With your help we would like to further support families in the community.

We would like to be able to offer more one off grants which will make a difference to the lives of children, young people and their families.

"Thank you very much — the last few months have been a strain having the expense of being away from home — this will help us a lot"

"Your support could not have come at a better time—thank you so very much"

"I'm sure I don't have to tell you how much of a burden hospital stays can be and your generosity will help ease some of the stress"

SO PLEASE GIVE GENEROUSLY!

How to Donate?

The charity accepts cash or gift aid donations

I would like to make a gift to SPLIT— Supporting Paediatric Liver & Intestinal Transplantation

I enclose a cheque made payable to
