Charlie Brown always brings the Christmas spirit and Linus telling the Christmas story, which gives us the real meaning of the season. All the music of the season will be shared during the whole month of December. Every service will be full of music. The handbells played the last Sunday of November, which is the first Sunday of Advent. On the first Sunday of December or the second Sunday of Advent, the orchestra will play. The next Sunday, December 11th, will be the Chancel Choir's cantata. This year we are doing a collection of familiar Christmas carols arranged by John Rutter. There are several of these for the congregation to sing along with the choir and orchestra. The finale for this service will be the Hallelujah Chorus from the Messiah. Along with the choir, there will be a 40 piece orchestra. The next Sunday will have involvement of the children. Then it will be Christmas. Christmas Eve we will have 3 services: the 4:30 service will start with harp music by Becky Nissen, the 7:30 service will start with brass music by Marty Slapnik's Beach Brass Quintet, and then the beautiful carols of the 11:00 service. Please plan to come to as many of these services as you are able. I know you will receive a blessing, and enhance your Christmas time.

As the banners are changed each Sunday and we light the Advent candles, our wish for each of you is that this season brings you Hope, Love, Joy and Peace. May the Christ Child be in our hearts and show on our faces. Merry Christmas to one and all.

Christmas time is here
Happiness and cheer
Fun for all that children call
Their favorite time of year
Snowflakes in the air
Carols everywhere
Olden times and ancient rhymes
Of love and dreams to share
Sleigh bells in the air
Beauty everywhere
Yuletide by the fireside
And joyful memories there
Christmas time is here
Families drawing near
Oh, that we could always see
Such spirit through the year.

We will be collecting for the Red Stocking Fund on the 4th Sunday of Advent, December 18th. The monies collected benefit the Pastor’s Discretionary Fund and the North Strand Salkehatchie Camp.

Wednesday Night Fellowship
6:00pm
Let’s eat!!! Please come out and enjoy good food and some fellowship with your church family. In December, we will have our family fellowship meal for two Wednesdays of the month. Come out and enjoy the fun!
December Fellowship Dates: December 7, 14

Merry Christmas to all! We are looking forward to your support in our Christmas parade on the 3rd of December on Main Street. It is an exciting time for our children, youth and adults to be a part of such a successful event for our city. Remember all are invited to participate. Just show up at Lowe’s around 5 o’clock and ask where the Trinity float is located to march with us. Or, if not marching, join the holiday crowd along Main Street and wave at us.

Our next big event in 2017 is the St. Patrick’s parade and festival in March. Look for forthcoming information on how to volunteer to help. This is the biggest event in the North Myrtle Beach lineup of festivals. We feel privileged to be able to share our name with the community.

All of our outreaches to the community and the church members are ongoing. Thank you for your help and keep us informed of our needs. Jackie Stanley will be heading up the Evangelism, Community Outreach, and Ed Daniel will be heading up Congregational Care. We are always open to suggestions, helpers, and being aware of those in need.

Thank you for all your support for the years I have served as chair of these two committees. May they continue to grow in service for the one “Whose we are.”
Happy New Year! Marie Peacock

WOULD YOU LIKE TO BECOME A LAY SERVANT?
The Marion District Lay Servant Ministers Training School will offer “The Lay Servant Basic Course” in early 2017 (January/February). The course is open to lay members of the United Methodist Church who desires to elevate their roles in their local churches. The goal of the “Lay Servant Ministry” (LSM) is to develop principled Christian leaders for the church. Lay Servants work in partnership with clergy and other laity to build up the local church by assisting with church leadership, congregational care, and church communication. The class is usually two Sunday afternoons. After completion, students receive the designation of “Lay Servant.” They may choose to advance this title and responsibilities within the church by taking more advance classes toward Certified Lay Speaker. Those wanting to take the basic course must be recommended by their pastor. Pastor Ritter would like to have a “team” of Lay Servants at Trinity. The brochure states:

“When a team of Lay Servants is called, equipped, sent and effectively deployed, the missional results within the local congregation can energize the entire laity resulting in congregations better prepared to make disciples of Jesus Christ for the transformation of the world.”

If you would like to serve God and His church in this way, please see or call Carolyn Marker for more information at (843) 361-1942.

**Christmas Shoe Box** – We filled 94 Shoe Boxes for Operation Christmas Child. Thanks to everyone for helping these children have a better Christmas.

**ASAP Bake Sale** – At the bake sale on November 20th, we made $782.00. Thanks to all who baked and bought. We are currently serving 41 veterans at an average cost of about $1600.00 per month. Your support of our bake sales, and your other gifts to ASAP allow us to continue serving these veterans. We could not do this without YOU.

**Christmas Stockings** – Love Circle has made Christmas stockings for the ASAP veterans this year. If you are out shopping and see some small items that would be great stocking stuffers, please pick some up for them. There is a box in the volunteer office where they can left. Bobbie Johnson (843-280-9242) can give you more information. **Thanks to Love Circle for doing this for our ASAP veterans.** I would like to apologize to the wonderful ladies of Love Circle. In the Charge Conference Report I mistakenly said Dot Jordan Circle was doing this project.

**North Strand Helping Hand (NSHH)** – Peanut butter and jelly are needed by both ASAP and NSHH. Please pick some up when you go shopping. ASAP will use what they need, and the remainder will go to NSHH. Thank you for bringing in these items that are always needed by both NSHH and ASAP.

**Flocking** – Want to surprise a neighbor or loved one? Have them flocked. Betty and I were flocked and it was amazing. So many neighbors asked about it, and we were able to talk about our church and the mission work that is supported by flocking. If you would like to flock someone, contact Jeannie Reeder or Carol Adams.

If you have any questions about what your Missions’ Committee is doing or would like to help, please contact Frank Autry (843-685-1190). You are also welcome to attend a committee meeting on the third Monday of each month at 9:00 am in the AG Greene building.

We are a people who confess the earth is the Lord’s and everything in it. We are neither the owners nor the makers of the world. We are honored to be the stewards of resources provided by God so those resources can be passed from generation to generation.

Trinity is taking steps to be good stewards of God’s creation, using wisely, but not abusing wastefully. We have a recycling program in place and encourage everyone to participate. We have a list of volunteers who will wash dishes for special events to reduce our use of disposables. (More volunteers are always welcome.).

A new initiative is replacing our polystyrene disposables with earth-friendly bagasse. Polystyrene is a petroleum-based product, a non renewable resource, and is not biodegradable. Bagasse is the fiber left when juice is extracted from sugarcane. It is made from a renewable resource and is biodegradable. We urge you to use the washable cups and plates as your first choice and the bagasse only when the others are not practical.

We want to be responsible in our spending also!
The United Methodist Men meet on the third Sunday of the month. December 18th is our next meeting at 9:45 am for breakfast. Please join us! We invite all men of Trinity for fellowship. See you in church!

Jack Callaghan, President

WELLNESS REPORT

As you are aware, the 2nd Sunday of every month is blood pressure day from 9:45-10:45 am. Carolyn Marker and Diane Anderson, both retired nurses, volunteer to take your blood pressure and discuss any medications you are taking for this health problem. Carolyn and Diane rotate Sundays and set up outside Rev. Ritter’s office.

Remember high blood pressure is called the “silent killer” because in many cases there are no obvious symptoms when it is too high. The B/P top number (systolic) reflects the adequacy of heart pumping; the bottom number (diastolic) reflects the resistance in the blood vessels. While the American Heart Association occasionally changes the recommended numbers, generally 120-140/70-85 mmHg are within normal range. Both numbers often increase with age but certainly numbers significantly over 150/85 generally require checking with your doctor and may require medication. High blood pressure (hypertension) damages every body system over time and may lead to heart attacks & strokes.

If you are currently taking B/P medications, take them without fail. It is a good idea to regularly check your own blood pressure (weekly) by purchasing an inexpensive machine. They are available at any good drugstore and generally cost around $30. Remember, sometimes our bodies adjust to our medications over time, and dosages may need to be changed or meds added to the treatment plan. So it’s a good idea to monitor your own pressure. Take it the same time of the day, in the same arm & keep a written record to show your physician. It is not usually just one reading that is significant but rather the trend of the numbers over time.

Our blood pressure monitoring has identified hypertension and/or irregular heart rhythms in several church members in the past year who were directed to their physicians and received treatment. Please stop by our table so you will know your numbers!

American Flags  If you have a torn or tattered American flag, you can bring it to Frank Autry at the church, and he will have them disposed of properly.

Our Bridge Group is up and running and always looking for more players. Come by at our new day and time, 9:30 am on Wednesdays in AG Greene’s Sunday School Room for a great time, meeting new friends and having fun!

Golf anyone?? Join us for a fun round of golf on Mondays during December. Check the weekly bulletin for times and locations. Players of any ability level are welcome.

December 15, at noon, PEP members will gather in Fellowship Hall for their Christmas luncheon. The entree will be provided and guests are asked to bring a side dish or dessert. After satisfying our "tummies," we'll enjoy Christmas music performed by some merry men (and women???) and we'll have the opportunity to join in on some carols. To top off the day, we'll exchange gag gifts and we're asking guests to bring a gag gift of approximately $10.00 in value (and tasteful, please). Reservations are requested and flyers will be in the Bulletins, December 4 and 11. All are welcome and invited. So, mark your calendars for Thursday, the 15th. You'll be sorry if you miss this day!

Deck the Halls with Christmas Music

At 7 pm on December 5th, the wonderful sounds of the season will ring as Festive Brass of Myrtle Beach bless us once again with the music of twenty brass instruments. This incredible group led by the most delightful conductor around will surely get you in the Christmas Spirit. Please come and be a part of this very special event. Admission as always is free. For more information, please contact the church office at 843-272-5236.

Watoto is Coming

Sunday, January 8th Two performances at 3 pm and 7 pm. Watoto is a group of incredibly talented children and adults from Uganda who travel the world telling their story. This group of about thirty-four includes more than twenty children whose parents have been murdered, died of a diseases like AIDS or have abandoned them. They have known much tragedy yet they sing songs of praise from the heart and tell uplifting stories of how God through the mission of Watoto has saved their lives.

It is a once every two years’ event that you won't want to miss. Admission is free, so tell every one you know. For information, please contact Rev. Ed, Debbie Snow or the church office.

Host Homes Needed

Host homes are needed for the Watoto children and their adult chaperones. Every two years we're blessed with the talent of the Watoto group from Uganda. We are also blessed with the opportunity to invite them into our homes. We will need approximately 9 host homes that will provide sleeping quarters and some meals for 2-4 children and adults. You don't need a special place in your home; they're willing to sleep on the floor. They just want warmth and love. We try to give new families the first opportunity for this life-changing experience. But those who have hosted before can go on the list as alternates. Don't let this blessings pass you by. For more information, please contact Debbie Snow at 843-995-2950.

To All of My Trinity Family

Thank you so much for another year of love and Christian fellowship. I cannot imagine ever being blessed by anyone more than my family and I have been blessed by all of you. May your Christmas and New Year be full of joy and blessings. Love to all from the Daniel family.
