

Please Donate To Our Healthy Food Drive!

Help us help the community give healthy sustainable perishable food to the Linn Community Food Bank. The Food drive will take place on May 5th-9th in the entrance area of St Paul's. There will be a jar for donations if you would like to contribute that way. All proceeds will be donated to the local Food banks.

Glimpse our plans

Our names are Sophia, Kenley, and Lauren and we are working with St. Paul's Church to do a healthy food drive for the food bank. We wanted to do this for those who can't afford to eat healthy since healthy food costs much more than unhealthy food. We interviewed 81 people and 87.7% of the people we interviewed said they had a problem with the cost of healthy food, so we know many more also struggle with this. That is why we wanted to create this food drive for the others that may have a problem.

What Foods Should I Bring?

- Canned Fruits
- Canned Veggies
- Canned Beans
- Canned Soup
- Dried Fruit
- Nuts
- Pasta Noodles
- Grains
- Oatmeal Packets
