**RE: Please Investigate Court Racketeering & Barring of
Citizen From Jefferson County Courts**

Dear Mayor Fischer,

I have been informed of allegations of racketeering where the Jefferson County courts are prosecuting criminal cases without signed formal Complaints from county attorneys. Also, fabricated evidence is being accepted from some LMPD officers. And court clerks are assigning case-numbers to these bogus cases. These include Cases 12-F-07230 and 13-M-01390 (**Victim Connie Marshall**); 12-F-06759 and 13-M-05776 (**Victim Keith Ponder**); 09-F-013580 (**Victim Daniel Cobble**); 13-M-010263 (**Eugene Woodard**); and 13-cr-01509 (**Victim Nathan Bright**).

Is this correct, Mayor Fischer?

I am also informed that the courts are refusing to honor the Certified liens of citizen Daniel Cobble. That Cobble is actually being barred from entering court by Chief Judge Audra Eckerle and Sheriff John Aubrey's court security. **Is this correct, Sir?**

Mayor Fischer, if these terrible things are true, then they directly threaten our democracy and constitution, the security of our community and nation. Please investigate these allegations for the proper law enforcement agencies, including the U.S. Dept. of Justice.

Thank you very much,
