

Parents, today at church, we sang a song with your and taught them a memory verse. We have printed both below, so that you can review the song and verse with them at home. Also, there are a couple of connection questions that you can do together to help them review the lesson. It is our goal to partner with you in teaching your child about Jesus. Have a blessed week with your child and we look forward to seeing you next week at church!

Memory Verse: "A friend loves at all times." Proverbs 17:17

Story Of Job

Job loved God. God gave Job many good things. He gave him a family, a house and lots of animals. But one day bad things started to happen to Job. He lost his animals. Then he lost his house. Then he lost his family. Job was very sad. Then Job got sick with sores on his body. He didn't feel good. He really needed a good friend to be kind to him. Job had three friends. They knew he was sad and had lots of owies on his body. Surely they would say kind words to him. The first friend came and he did not speak kind words to Job. The second friend came and he too did not speak kind words to Job. Finally, his third friend came but he too did not speak kind words to Job. Poor Job, he needed a friend to be kind and say something like, "Job, I am sorry you are sad. I hope you will feel better." Job's friends weren't kind. A good friend uses kind words that make you smile.

Connection Questions: Use the following questions to review the lesson with the children.

Question 1: What does being kind mean? (being nice and showing love)

Question 2: How do you feel when someone says something that is unkind? (sad and hurt)

Question 3: What kind words can you say to a friend? (you are nice, pretty, sweet)

Pray: Dear Jesus, I know there are people all around me that need kind words spoke into their lives. I can show by being a kind friend to someone in need by saying kind words to them. Help me this week to reach out and be kind to others and show them your love. Thank you for loving me and taking care of me. Amen
