

Parents, today at church, we told your child a story and taught them a memory verse. We have printed both below, so that you can review the story and verse with them at home and talk about them this week. Also, on this handout are a couple of suggested activities that you can do with your child to help them learn how to apply the lesson to their lives along with a coloring page for them to complete. It is our goal to help you teach your child about Jesus and we want to partner with you however we can. Have a terrific week with your child and we look forward to seeing you next week at church!

Bible Story

JOSHUA AND 12 STONES

*Twelve large stones all in a pile
Let's stop, my children, and sit awhile
Can you see the stones piled here
With the river Jordan so near?*

*"What does it mean, these big rocks?
Tell us Father, don't pull our socks.
Why are these stones piled so high?
Why do they point up to the sky?"*

*The stones were left by our great grandpops,
To remind us our God is really tops.
He brought them out of Egypt land,
And brought them through the desert sand.*

*To the Promised Land he brought them,
And this is where they crossed the Jordan,
God stopped the water when it ran high
And Israel crossed the river dry.*

*Joshua told them to take these stones
From the riverbed as dry as bone.
They piled them up so we'd recall
What the Lord did for up all.*

*Remember God and all He's done,
His blessings flow to everyone.*

Memory Verse:

"Obey God."

Psalm 78:7

The Lesson in a Word:

Remember

Pray

Dear Jesus,

Thank you for being amazing! Please help me think of you as I grow up. I want you to be in my life. Amen

Things To Do At Home

Parents, remember to thank God every day for the fit o your child(ren). Attach a favorite picture of your child(ren) to your dashboard. Let it server as a reminder to thank God. Remember one thing your child said or did recently. Send this memory to yourself via email. Keep it in your "inbox" and when you come across it, thank God for the opportunity you have to be a parent.
