

Juli's Notes:

As I am writing this today I am looking out my office window as it snows! At the end of February no less! This is just another one of those ways that God shows us how amazing He is. In the month of March we are going to start a study of the book of Romans. Paul's letter to the Romans has some basic principles that we can all be reminded of to help us on our Christian journey. During our course of study we will tackle topics such as self – confidence, living for Christ, knowing that we have support from God and unity. These are just a couple of topics we will touch on but as we start this journey I pray that God will open our eyes and hearts to what He would have us learn from this letter.
