The "NEW" Visitor Pass System is another solution in the long line of innovations provided by Safeguard to schools over the past 50 years.

Identify...Organize...Simplify...

Create an ID BADGE and a SIGN-IN LOG at the same time!

1. Sign In!

Visitor signs in at the front office.

2. Create Automatic Log!

Signing in creates an identical duplicate record and tracks your visitors automatically.

3. One-Piece Activation

The color-changing badge is activated with just one simple fold.

4. Affix Badge!

Visitor wears badge for easy identification.

Maintain Privacy!

Label liner hides log copy from subsequent visitors.

“Log Sheet with Security to meet Privacy Act Requirements”

Badge expires in 24 hours

Color-Changing Technology

Actual Size: 2 7/8" x 1 7/8"

“We are able to keep a detailed record of visitors in the building and they are easily spotted when touring. Visitors feel like the school is very secure and are eager to wear the badge as advertisement, even after leaving.”

Emily Howell, Collegiate School of Memphis

“This new sign-in system has helped us to maintain an organized log while accomplishing our goal of streamlining, all visitors, parents included, through the main office.”

Karen Nardi, Secretary, St. Anthony School

This is the 1st time a product like this has lived up to my expectations! It is easier and cleaner than our old sign-in system.”

Angela Wilhelm, Oxford, MI

We love the Visitor Pass sign in system. The one write feature definitely saves time and makes my job easier. The labels are just the right size, and your service and ability to customize to fit our needs are second to none.”

Loretta Hannum, East Hartford Middle School

"Parents and visitors are much happier with the sign-in procedure, it's less complicated. We are very happy with Visitor Pass."

*Karen Barry
F.E. Smith Elementary*

"Visitor Pass is a lot easier for our visitors. We like the permanent record and the professional appearance."

*Lisa Pergola, Admin. Asst.
ARC of the Farmington Valley*

"To have someone physically sign in - in front of an office person - is extremely beneficial and great for the safety of our children. The carbon copy is incredible. It helps us keep track of volunteer hours and helps us locate them: who is in the building, when, and why they are there. Visitor Pass can only help with the safety of our children; I see no downside to using the system."

*Trish Wilson, Office Manager
Pinewood Christian Academy*

"The badge is very visible. Our school likes the fact that we have a formal badge and permanent log system in place. If any issue arises, we have written proof of what visitors were on our grounds. Parents feel comfortable and safe that this system is in place."

*Jean Smith, Secretary
Jefferson Elementary School*

Safeguard provides personal service and a multi-line of products including:

- Laser Checks compatible with your School Program
- Late Arrival and Early Dismissal Systems
- School Apparel and School Identity Items
- Fund Raising Ideas
- Full Color Printing
