

RFTA SOLICITATION NO. 12-003
GLENWOOD MAINTENANCE FACILITY (GMF) COMPRESSED NATURAL GAS (CNG)
MODIFICATIONS

The Roaring Fork Transportation Authority (RFTA) is soliciting proposals from qualified vendors for facility upgrades (the "Project") at RFTA's Glenwood Maintenance Facility (GMF). The Project consists of upgrading the facility so that it meets best practice safety requirements and local, state and federal code requirements for servicing CNG vehicles.

The project will be constructed at RFTA's GMF, which is located at 2307 Wulfsohn Road, Glenwood Springs, CO 81601. The maintenance facility is located within the municipal limits of the City of Glenwood Springs and will therefore be subject to City building, permitting and operational codes and regulations. The selected Contractor will be required to design, permit, construct, test, and commission all equipment and systems for the Project.

Solicitation documents will be available Monday, February 6, 2012 by request. Information associated with this project will be available online at <http://www.rfta.com/rfps.html> and www.rftabrt.com. To request copies of the solicitation documents, please contact Amy Skinner, RFTA Business Specialist, at askinner@rfta.com or (970) 384-4860. Vendors may also go to RFTA's website and complete a Vendor Registration Form to be emailed or faxed to the attention of the RFTA Procurement Department. Upon receipt of your request, information will be provided to access the solicitation and associated plan documents.

A Pre-Proposal Meeting and site visit will be held Tuesday, February 14, 2012 from 2:00 p.m. – 4:00 p.m. (MT) at the Glenwood Springs Community Center, located at 100 Wulfsohn Road, Glenwood Springs, CO 81601.

Proposals will be due Friday, March 9, 2012 5:00 p.m. (MT) at RFTA's offices located at 1340 Main Street #4, Carbondale, CO 81623.

For more information, please contact RFTA's Procurement Manager, Collina Washington, at either cwashington@rfta.com or (970) 384-4886.
