

THE BAND ROOM

EVERY FRIDAY NIGHT @ **THE CAVERN**

ATTN: Original / Established or New Bands

The Cavern Club is a live music venue with NO POKIES.

If you want to get a gig at The BAND ROOM read this:

HOW TO GET INVOLVED

Our room is 450 people capacity and we don't charge bands room hire.

With that mind we book only a full line up of 3 or more bands.

The reason for this is that gigs organized by groups of people have a better network process and the turnout is greater.

It also demonstrates to us that you willing to work in the music industry to support each other for the benefit of all involved.

All music genres are welcomed and we encourage the line up to be complimentary to one another.

Interstate bands are required to have at least two local bands on the bill.

You must get your promotional material in to us at least 3 weeks before the gig date.

You will be required to take your promotion of the gig seriously
to give it every chance of making your night a success.

HOW YOU GET PAID?

You will be paid on the night from the door takings.

We encourage bands to consider the door split and negotiate this before the night.

One way is to split the door according to the number of people coming to see your band.
The reason for this is so each band can measure popularity and fairness.

We will provide a report to each band showing their supporting fans on the night.
