Free Birtukan and all prisoners of Conscience in Ethiopia

PRESS RELEASE

Cypress, CA, January 20, 2010: The Free Birtukan and all Prisoners of Conscience in Ethiopia

organization, in line with its mission, works with many Ethiopian and non-Ethiopian organizations to secure the release of Ms Birtukan Mideksa and other prisoners of conscience in Ethiopia. In addition, our organization has local chapters in many states in the United States and some localities in Europe and Australia.

We have recently received inquiries about a group called the **Birtukan Society of Canada** (bsctoronto@gmail.com) and whether the group is affiliated with us. We would like to make it clear that we do not currently work with any group called the Birtukan Society of Canada. The Birtukan Society of Canada does not represent us or does not have any affiliation with our organization.

All of our chapters have a letter designating them as our affiliates in their locality. If you have any questions, please forward your inquiries to admin@freebirtukan.org.
