The family at First Baptist Church welcomes you to the seventh annual production of the passions of Jesus shown through His death, burial and resurrection.

It is the sincere prayer of the entire choir, orchestra, and the many other people who have worked so hard that each person who sees "The Day He Wore My Crown" will experience a fresh touch of His resurrection power in their lives. We invite you to visit with us again and hope that you have felt welcome this evening.

*Please do not take flash pictures during the presentation. The choir will remain on the stage for a few moments after the program for those who wish to take photographs.*
