The Mearl and Esther Broockmann
Campers Scholarship Fund
Request for Summer Camp Financial Aid

Purpose: The Mearl and Esther Broockmann Camper Scholarship Fund is set up in memory of Heit's Point supporters Mearl and Esther Broockmann by their family and friends to give aid to the families of summer campers at Heit's Point. It supports those who might not be able to attend camp without financial assistance. To assure that funds are distributed fairly and appropriately, please complete this application form. You will receive a response within two weeks of our receipt of the request. We thank the Lord for making this available through the generosity of the Broockmann family and other Heit's Point supporters.

These are available:

Full Campership: A full campership is given to those whose financial situation would not allow attendance.   This award covers the entire cost of camp. The family should provide spending money for their children.

Partial Campership: A partial campership is for those who need some financial assistance. This award would be 50% and the family would pay the remaining 50%.   ` The family is to provide any spending money for their children.

All requests for camper funding shall come to Heit's Point Lutheran Ministries by May 15th of the year campers will attend. Any special circumstances may be discussed with Heit's Point Director for final determination of amount. Camper scholarships will be awarded by the advance registration deposit date in the form of funds credited to the camper's account - no cash will be awarded.

Submit to: Heit's Point Lutheran Ministries
