Heit's Point's mission to

‘Strengthening the Connection to  
the Vine.’

We do that in various ways, but one way we think is important is through retreats. We all get caught up in the life's chaos, and it is important to slow down and listen to what God has to say through His Word and His Creation. What better place is there to do all of that than at Heit's Point?

We are YOUR place on the Lake!
