Funerals: Those wishing to have loved ones or friends buried from our Church should contact the pastor through the Church office as soon as possible after the death of a loved one or friend.

In the Hospital? Because hospitals do not give the parish information about members who are in their facilities, it is important that family members or friends advise us about a parish member who is in the hospital. Please call the church office and let us know when a loved one or friend is in the hospital, confined to their home, or in a facility for the aging.

St. Augustine Announcements

A COLUMN IN SEARCH OF A NAME

Well folks, I am now solidly into week two here at St. Augustine. Sadly the days have been marked by deaths and funerals of long time parishioners. Mrs. Cora Harris, Mrs. Bonnie Draper-Taylor, and Mrs. Annie B. Jones have passed to the next stage of life -- the fullness of the resurrection with Jesus Christ. I presided at the funeral liturgies for Mrs. Harris and Mrs. Jones and participated in the Going Home service for Mrs. Draper-Taylor. Each service was a celebration of the life of a woman of faith, family, and service. May they rest in peace.

On June 30 we closed the fiscal year for the parish. My initial review of the financial statements leads me to believe the parish did reasonably well with the budget but still ran a deficit. With church budgets it can be hard to predict some events and expenses. Our new budget will be realistic if we are faithful with our giving and fundraising and watchful on expenses. If you would like a copy of the financial statement contact the office.

With the advice of the Liturgy Committee and Pastoral Council we are starting the search for a new minister of music. A special committee of representatives from the musicians, Liturgy Committee and Pastoral Council are working on a job description and the best ways to recruit. I envision the minister of music (the title for now) as the coordinator and leader of the various music ministries at St. Augustine. He/she will recruit and train the singers and musicians and also help us sing better as a congregation. Music is very important for the liturgies of St. Augustine. Please pray for the success of this effort.

Have a great week!
Fr. Bob Cary, CSP
