PARENTS MUST READ!

Pre-kindergarten and Birth to Three Services would like to inform all of our families and friends that classrooms and programs are at risk of being cut due to state budget woes. Help support your child's classroom and services by calling and writing your local legislators, community officials and the governor.

STATE PRE-K

Can't Go Away…

It Must Stay!

Save Illinois Preschools

SAY:

PLEASE SUPPORT **ILLINOIS STATE BOARD OF EDUCATION EARLY CHILDHOOD PROGRAMS**.

State funded preschools are vital to the educational success of young at risk children and families.

Invest in early childhood now and save money in future mandated services. I support a tax increase for those that can afford it.
