Xtreme Connection for Youth

Led by Kevin Burns

Christian students face hostility to their faith from one side, and apathy to anything of importance from the other

side. And, sadly, the casualties are high. Understanding that the battle is in the hearts and minds of our students, every Sunday night, we offer students “Xtreme Connections” so that they can see that Christianity is a robust faith that is not a mere religion but dependent on a relationship with Christ. We attempt to help each student embrace that view for themselves and to stand strong when their worldview is under attack by the world today.

KIDZ Choirs

**Also being offered during SLU:

KIDZ Choirs – Ages 4 yrs to 6th grade

ARE YOU READY TO SING? Children singers of today are our choirs of tomorrow. Our children’s choirs will be learning about music and its place in worship, the scriptural basis of songs we sing, and by all means having fun singing praises to the Lord. All that is needed is a desire to sing and a willing heart to learn. Last year was a great start and there is more excitement to come this year!
