MISSION FOCUS FOR THE WEEK

"...present yourselves to God as those alive from the dead..." Romans 6:11-13

Through the new life Jesus brings, churches and people are able to move beyond the past and become "new" instruments in God's hand (see 2 Cor. 5:17)

His righteousness makes that possible as He forgives, restores and rekindles new life and purpose within people and churches. Even though we sometimes encounter people and churches that may not have the best past, we can be certain of one thing—their reputation can change in Christ.
