

We were very blessed to have a special gift that has permitted us for over half a year to broadcast a weekday 5 minute program on WGNW 95.7 FM radio in Candler. The program airs at drive time (to school and to work) 7:55 AM. This is a station geared to the young and young at heart (most current Pole Creek members wouldn't care for it). There is one family, however, attending regularly now that was reached through this station. I have had several folks tell me that they have heard me on the station. These months were paid for by that special gift. It is not budgeted. SOOOO....here's the deal. If God means for us to continue to try and reach our teens and young adults through this medium, we need some special gifts. Certainly we need your regular offerings. Those gifts are essential for the ongoing mission of this church. But if you can give a sacrificial offering designated for the radio, please clearly mark this on your envelope. We can basically reach most of Buncombe County for only about \$250 per month. We are losing an entire generation that is leaving the church in droves. If we lose this program, we lose another opportunity to touch them. By the way, how much is a soul worth? If you have questions, please feel free to e-mail me or give me a call.

Thanks.

Prayerfully Yours,

Dennis
