## Download series CD-ROM

### About the Software

The *Download* CD-ROM complements the 16-title series by providing engaging and easy to use software for the interactive whiteboard, PC or Mac.

It includes printable blackline master for student activities. It also includes Teacher's Notes to give support to teachers, classroom assistants, and learning support teachers on how to deliver core literacy skills teaching.

**Interest level:** Grades 4–9

**Reading level:** Grades 2–3

### The CD-ROM contains:

- 3 or 4 interactive activities to support each of the sixteen titles in the series
- 3 printable and copiable worksheets supporting each of the sixteen titles
- Supporting notes and lesson suggestions for each title

**Interactive Software for the Whiteboard, PC and Mac.**  
Click [HERE](#) to get started.

Supports the Download series of books for reluctant and less able readers.

**i** For more information or to place an order for the series, click [here](#) to visit our website.

**Commas count**

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Read this sentence from page 31. comma

He dropped in on the ramp, picking up speed.

main information

extra information

The comma shows where the extra information starts. It shows you where to pause when you read.

- Read each sentence aloud. Decide where the comma goes.
  - He swept straight down building up speed.
  - He went to the skatepark hoping nobody was there.
  - Slide your front foot forward forcing the board to go higher.
  - Gliding along the banking he did a kick turn.
- Add some extra information to each sentence. Don't forget to add the comma!
  - The girl looked at him \_\_\_\_\_.
  - The dog jumped up \_\_\_\_\_.
  - Everything was quiet \_\_\_\_\_.
- These sentences are called **complex sentences**. Write a complex sentence of your own.
