Dear Sponsor,

April 27, 2011 will go down in history as one of the most devastating days in our nation's history when over 200 tornados touched down in the state of Alabama. The youth at First Baptist Church will embark on a mission trip next summer to Tuscaloosa, AL. Seventy youth and adults will be working in the wake of one of the tornados that decimated Alabama. The F4 tornado that tore through Tuscaloosa was on the ground for over 400 miles and forged a devastating path through five states.

To help facilitate our trip, we are holding a golf tournament at Catawba County Club on Monday, May 7, 2012. As you consider partnering with us, I would like to be the first to thank you for the crucial part you will play in this journey. We could not do this without companies and people like you.

There are a number of sponsorship levels available for you as you decide how you will aid in our ministry to Tuscaloosa.
