Fitness Center

Lower Your Dues!

Our records show members just like you refer at least three friends and/or family members to the club each year. At Forever Fit, we want to reward you for referring friends and family members to our facility.

We will reduce your monthly dues by \$5 per month when you bring a new member to join.

Stop by Forever Fit for all the details and learn how we can help you Lower Your Dues! Ask to speak with any of our Member Representatives.
