

**2012-2013  
REQUEST FORM FOR  
STATE PAID  
MATERIALS & SERVICES  
(One form per student)**

Name of Student \_\_\_\_\_ Grade level for 12-13 \_\_\_\_\_

The State of Minnesota has authorized local public school districts to provide educational funds to pupils enrolled in non-public schools within their districts, so that these pupils can share in the same educational benefits provided to public school pupils by the State of Minnesota.

*Money and services are based on the number of students that are enrolled at Christian Life and have provided a signed request form to the office. A copy of this form must be completed for each pupil receiving educational funds during the academic year 2012-2013. This request form will be maintained on file for the purpose of documenting pupil eligibility.*

**Christian Life School controls the ordering of any and all materials and services.**
