Dennis C. Bartos, PA, is a specialist in impaired risk life insurance negotiations and manages the underwriting process of some of the country's most complicated life insurance transactions. Dennis leads a team of trained professionals whose purpose it is to negotiate and advocate on behalf of the insured to obtain the best possible rating class for the purchasing of new life insurance protection on medically impaired risk clientele. He works closely with some of the best financial planning firms and estate /tax attorneys across the nation. With over 30 years of life insurance negotiating experience, Dennis can bring options and resources to the most complicated planning situations.

Dennis is a devoted husband and father of five children. When not working or traveling with his family, Dennis owns, breeds and races horses.
