Background & Experience

Brendon Healy is President and co-founder of Coastal Insurance Consulting, LLC (CIC). He founded CIC in 2013, with Michael Driscoll, and has served in various sales management and leadership roles within the life and financial services industry for more than 15 years. Brendon is a graduate of West Chester University of Pennsylvania and holds a Bachelor of Arts degree in Biology. Brendon is an active member in FINSECA and NAILBA. Additionally, his background includes extensive experience in risk management, life, disability income, long term care, annuities, and advanced planning concepts.

Brendon and his wife, Amelia have two children and are active in the West Chester, Pennsylvania community, where they live. He grew up in Dingmans Ferry, Pennsylvania, is the youngest of 12 children and is also active in supporting his local high school through scholarship fundraising, to provide opportunities for high school athletes pursuing higher education.

Brendon's company, CIC, is a full-service brokerage firm that specializes in helping advisors grow their practice. CIC has more than 900 licensed advisors and works with several independent advisors and broker dealers across the country. CIC is licensed in more than 35 states and focuses on advisor education and client portfolio diversification, through risk management strategies. Brendon's focus within CIC is building top advisor relationships and growing their practices through various advanced concepts. These concepts range from estate planning, business planning, private financing as well as premium financing. In 2021, CIC placed more than \$9million of target life premium and \$30 million of annuities.
