Karen Forrest is a Brokerage Consultant with Agency Services, Inc. and has been a member of the insurance industry for over 20 years. At Agency Services, Karen works with existing brokers and clients in addition to developing new relationships. She is highly skilled at helping with Life, Health, LTC, Annuities and DI sales needs. Karen's goal is to provide superior service and make it easy for brokers to grow their revenue. She provides quotes, case design, sales ideas and concepts, and point-of-sale support when needed. Previously, Karen was as a partner of Forrest & Forrest Benefits, an employee benefits firm marketing to large municipalities, hospitals and school systems.

Karen is a native of Memphis and is a graduate of Harding Academy and the University of Memphis. She has been married to her husband, Chuck, for 27 years. Her interests include horses and gardening.
